Case No. 4:25-CV-00220

Judge Clay D. Land

**ORDER GRANTING PLAINTIFFS' UNOPPOSED MOTION TO CONSOLIDATE CASES**

This matter, having come before the Court by Plaintiffs in the above-captioned matters, by their Unopposed Motion to Consolidate Cases (“Motion”) pursuant to Rule 42 of the Federal Rules of Civil Procedure, Memorandum in Support, and the Complaint in all actions, and having found that the cases involved some of the same issues of fact and law, grow out of the same alleged data breach involving Aflac Incorporated (“Aflac” or “Defendant”), have many of the same claims, and have proposed class definitions that will encompass the same persons, this Court finds that the cases have sufficient commonality of issues and parties to warrant consolidating the cases. This Court further finds that the benefits of consolidation are not outweighed by any risk of prejudice or jury confusion. The effect of such consolidation will be judicial economy and preserving the Parties’ resources, as well as avoiding disparate rulings in separate actions.

Accordingly, because this Court finds that these related actions have sufficient commonality of law and fact and because consolidation does not increase the risk of an unfair outcome, **IT IS HEREBY ORDERED** that the Motion is **GRANTED**.

**IT IS FURTHER ORDERED** as follows:

5. If any party objects to such consolidation or otherwise wishes to seek alternative relief, they must do so before the expiration of that period.

6. If Defendant files a motion directed to the CCAC, Plaintiffs will have 30 days thereafter to file an opposition, and Defendant will then have 30 days to file a reply in support of its motion.
